EURO FILTRATION LAMP

POWERFUL MOTOR & FAN
The cyclone system vacuums in air pollutants by removing finely-ground nail dust. The top of the fan can be used to air-dry hands as well. The fan is easily replaceable for future service.

3 WAY SWITCH
Settings include: Light only, light off, fan and light together

LED TECHNOLOGY
The energy efficient Euro Lamp unit never gets hot. It uses 6 daylight balanced, bright LED lights.

REMOVABLE FILTER
Removable filter can be cleaned with water from spa shower spray or from sink faucet. One easy step cleans the filter. Simply wash and re-use!

SPACE EFFICIENT
The Euro Lamp takes up very little space. It is ready to be mounted on all of our manicure tables.

EURO LAMP BASE
Heavy base will securely hold Euro Filtration Lamp. Sold Separately \$19.95

FILTRATION
A removable system filters harmful, finely-ground nail dust from air. 2 filters included with each lamp.

With the Euro Filtration Lamp, harmful finely-ground nail dust is removed from the air. Fine craftsmanship and sleek design in a metallic silver finish plus state-of-the-art technology come together in an attractive unit that is easy to assemble, install, and operate. The 12 Volt energy efficient, lamp uses less electricity than conventional lamps. Silent yet powerful, efficient and economical, the Euro Filtration lamp makes your place brighter, cleaner, and greener!
